## New face to face consortium meeting: October 10th - 11th 2024, Split

For two days, 10th– 11th October, University Split hosted all partners of the ExCurS project.

During these two days' work meeting, we had a new opportunity to meet face to face, checked the status of the project, reviewed the activities already developed by each WP and discussed deeply, how to successfully close the pending tasks and plan upcoming activities, with the aim to comply with the quality and deadlines committed.
